

OUR STORY

ELEVA WINDOWS is a manufacturer & retailer of one of the world's finest aluminium windows, Aluminium windows and facades sourced from India, Turkey and Europe. Windows that are sustainable and offer innovative solutions for weather, sound and security.

We have a history to boast about with industry experience of 11 years in which we have completed projects in North India, Nepal and beyond India which is fitted with world-class doors and windows offering exceptional security, sound and heat insulation. To this end, **ELEVA WINDOWS** products are found in some of our nation's finest homes.

This reference book is a collection of all the types of doors and windows which we recommend and promote. We have carefully selected the types of material used, finishes, hardware selection, window design which will keep your house functional and beautiful for years to come. Special thanks to our past team members in this industry who has helped us in learning the small detailings. We recognize that **ELEVA WINDOWS** is not for everyone. But, if your project demands no compromises in detailing, functioning, and craftsmanship, then **ELEVA WINDOWS** is the best option available in the market.
